2 Collected Data

We collect and process the following data:

1. Name, postal address, duration of your membership and financial transactions are collected for accounting and tax purposes due to UStG §14b till 10 years after the end of your membership.
2. Your user name is saved to identify you till you end your membership.
3. The email address we provide you with is saved without relation to your person for 10 years after the end of your membership to prevent others from getting the same address.
4. If you have configured email forwarding, we save the destination address for the time of your membership.
5. Data inside the provided services webspace (incl. home directory), databases, virtual servers and email are saved for the time of your membership to provide the respective service.
6. Your MAC and IP addresses are required to provide you network access and are saved as long as you use this service.
7. Your IP address, date of birth and everything mentioned under point 1 is saved due to TKG §111 for the time you use the provided network access.
8. Your traffic statistics (exclusively transmitted data volumes) of the last 7 days are saved as long as you use the provided network access.
9. In security-related incidents, it is possible to record network traffic and secure it until the incident is cleared up.
10. If you use the digital membership application ("online registration"), your "Debitorennummer" of the Studentenwerk Dresden is saved in order to obtain information about the rental object (room) and the rental period. The "Debitorennummer" will be deleted at the end of the next calendar year after membership ends.
11. Support tickets are saved for 1 year after the last contact with you to provide you with better diagnostics and help.

This data is processed, if not additionally explicitly mentioned with the individual data, with the following legal bases:

- The data mentioned under point 1 and 2 is collected in accordance with GDPR art. 6 par. 1 b.
- The data mentioned under point 3 to 11 is collected in accordance with GDPR art. 6 par. 1 a.

3 Processing and access control

The data mentioned above is processed and saved electronically and/or in hard copy. All active (according to our constitution)

members of the AG DSN get access to all data after receiving an introduction about the proper data protection procedures in accordance to Saxon privacy law (SächsDSG).

3.1 Automated decision making

The data mentioned under point 9, your financial data and external abuse allegations may be used to automatically block and unblock your network access.

3.1.1 Block for outstanding contributions

If you have not transferred the contribution in time, your access to services of AG DSN will be blocked. The block will be lifted after your arrears have been settled. After a longer delay in payment the membership will be terminated automatically.

You can find information regarding the exact grace period before being blocked or having your membership terminated in our finance regulation¹.

4 Data sharing

If required by law (e.g. UrhG §101 Abs. 9 or TKG §112, §113) we will provide collected information to entitled third parties. If you violate the Rahmennetzordnung defined by the ZfH or the usage agreement with the DFN, your data may be shared with them.

5 Your rights

You have the following rights:

- the right to receive a copy of your data according to GDPR art. 15
- the right to rectification of your data according to GDPR art. 16
- the right to erasure of your data according to GDPR art. 17
- the right to restrict the processing of your data according to GDPR art. 18
- the right to transfer your data according to GDPR art. 20
- the right to object according to GDPR art. 21

According to DSGVO art. 77 you have the right of appeal to the appropriate data protection supervisory authority.

You can withdraw your consent to the processing of personal data at any time. This right of withdrawal also applies to consent you have given before the DSGVO's commencement (May 25, 2018). Please note that your revocation is effective only for the future, i.e. data processing done before your revocation will not be affected. Please direct your withdrawal to the above-mentioned data protection officer.

5.1 Your right to object

- If you object to the collection and processing of your data as described under point 1 and 2, your membership will end immediately.
- If you object to the collection and processing of your data as described under point 3 to 10, we can not provide you with the respective services any longer.
- If you object to the collection and processing of your data as described under point 11, the support quality we can provide you with may suffer.

I understand the privacy statement and agree to it.
